## **AUTUMN NEWSLETTER 2011**

Hope you have had a pleasant and successful summer, and that you are looking forward to winter been over. I am writing this just having come back from the NPS areas Chairman's /Treasurers meeting at Kenilworth. Stephen very kindly picked me up on route going down and up the M1 today, in fog and rain. It's not much fun in winter but it can get a lot worse, as it did last winter. Personally when we get past Christmas and into the New Year I feel much better.

All NPS areas are trying to be economical at this difficult time, postage itself can easily mount up. In an effort to combat some of the costs - could I ask you all who have an email address to send a quick line to Norma at the above email address. This will facilitate the running of the area and get communications from area 4 to you even before the ink is dried on a hard copy.

Best wishes, *Malcolm Pickles*
